THE LEADER IN MULTISITE BUILDING AUTOMATION

ENTOUCH's integrated ecosystem of proven solutions enables multisite operators to easily and quickly reduce energy usage, drive profitability, and simplify management while creating a path of sustainability for a healthier planet.

OUR SIMPLE PLAN WITH ZERO MONEY DOWN

Capital for facilities projects is always scarce. In the current climate, capital might not just be scarce, it might be unavailable.

ENTOUCH understands your business, and we know you don't need a "one size fits all" three-year subscription, you need a partner who will customize a financial solution that meets the unique needs of your facilities team and your finance team.

Our customers have averaged a 221% 5-Year ROI, 1.5 year payback and, across our entire portfolio, they save over \$30 Million every year.

We are committed to providing the lowest total cost of ownership and the flexibility to tailor your investment. You can place your capital to work on ENTOUCH's high ROI solution or use ENTOUCH's capital to create a positive cash flow on the same project from day one. Regardless of how you choose to invest, we'll guarantee the results.

As your partner, we understand how you buy is your decision. We make it simple for you to start saving the planet and improving your profits, one building at a time.

SIMPLE, QUICK, NO-RISK TRIAL WITH GUARANTEED RESULTS

Our simple, quick, no-risk assessment guarantees results for full scale deployment based on documented savings. You make no payments for 3-months while we build your business case. This includes hardware and the ENTOUCH.360 service. If ENTOUCH doesn't reduce your energy, we'll refund your cost. Guaranteed.

Let ENTOUCH help you with the capital, for positive cash flow from day one. One building at a time.
